

Electronic chair weighing scale
M403020 CE class III approved

ADE

Due to its 4 steering wheels of which are 2 fitted with brakes, this chair scale can be moved into the smallest corner without any effort. The foldable footrests allow a trouble free access for the patient. The padded arm rests and the ergonomically seating position make the scale comfortable to use.

Technical specification:

Capacity:	250 kg
Graduation:	100 g
